

**Implementation Plan for  
Behavior Intervention Plan (BIP)**

Student's Name: \_\_\_\_\_ Date: \_\_\_\_\_ Review Date: \_\_\_\_\_

Problem Behavior: \_\_\_\_\_

Tasks	Person(s) Responsible	By When	Tools/Data Collection Methods
<p style="text-align: center;"><u>Prevention Strategies:</u> <i>Make problem behavior irrelevant</i></p> <ul style="list-style-type: none"><li>• <u>Strategies to Neutralize or Prevent Setting Events:</u></li>          <li>• <u>How will you change the environment to reduce triggers for problem behavior(s) and increase success of new behavior(s)?</u></li></ul>			
<p style="text-align: center;"><u>Teaching Behavior:</u> <i>Make problem behavior inefficient</i></p> <ul style="list-style-type: none"><li>• <u>Replacement Behavior(s):</u></li>          <li>• <u>How will you teach new behaviors?</u></li></ul>			

<p style="text-align: center;"><u>Consequence Strategies:</u> <i>Make problem behavior ineffective</i></p> <ul style="list-style-type: none"> <li>• <u>Response after new behavior(s) occur (increase reinforce):</u></li>   <li>• <u>Response after problem behavior(s) occur (reduce reinforce):</u></li> </ul>			
<p style="text-align: center;"><u>Additional Tasks for Review Planning</u></p> <ul style="list-style-type: none"> <li>• Check in with student regarding progress and implementation</li> <li>• Check in with staff members regarding implementation ease, concerns, obstacles</li> </ul>			

**Implementation Review**

Date: \_\_\_\_\_

Is the plan being implemented as designed?	
Do any staff members need assistance or direction?	
Is re-teaching of behavior skills necessary?	
Is anything assistance needed from administration?	
Are modifications required?	
Additional implementation concerns:
